A yearly event at Webb City High School is the Empire District Electric Cooking Contest. It was held this fall at Carl Junction. Miss Phyliss Oliver was our representative this year. Rules of the contest set a thirty-minute time limit to prepare a meal for three, with a price limit of three dollars.

Honor Roll

The introduction of an Honor Roll system is just one of the many improvements Webb City High School has made this year. This system encourages scholastic achievement, as the student must have no lower grade than an "S" to qualify. Students who were on the honor roll all four quarters received a school letter in recognition of their achievement.

Our New Junior High School

Our new Junior High School, located on the corner of Washington and First Street, is one of the fine examples of Webb City's ever improving school system. Bonds for this building were voted in the spring of 1958, construction began immediately, and the classes moved in in March of 1959. With the opening of the new building, congestion was reduced in the high school and the junior high students started receiving the benefits of a modern, well-equipped school building.

A core class enjoys the benefit of a spacious well-equipped class room.

Lions vs. Jaycees For Benefit of School

The students of Webb City High School wish to express their appreciation and thanks to two very fine groups of men for the great deal of interest which they have shown in us. Our thanks go to the Lions Club and the Jaycees, who competed in a benefit basketball game in February to provide the Whirlpool Bath, pictured at left, which Dick Burris is shown using to treat an injury and which the athletic department has needed for many years.

This year the main project of the Senior High Student Council has been the purchase of fences for the campus. This is still a part of the landscaping program started last year. Another new project of the Council was the sale of student directories. These were made by the members and sold to the students. Again this year they also provided beautiful Christmas decorations for the second floor hall.

This year for the first time our Student Council sent several representatives to the state meet at Springfield.

Also this year the officers were elected by the student body rather than by the Council itself as in the past. They were voted on last May and have served all this year in their offices.

We, the King Jack Staff, are proud to present the 1958-59 King Jack to the students of Webb City High School. We have worked to make this year's annual the best. We have worked at concessions, football games, sponsored dances, and sold ads to make this year's annual possible. We are proud to be the first, in our knowledge, to have a hard back cover. We hope you enjoy this new addition. So as we add another yearbook to our collection, we, the staff, are happy to have recaptured precious moments and happenings of the school year, through the King Jack of '58-'59.

The Choir, under Mr. Wayne A. Lawson's direction, is made up of members of both Boys' and Girls' Choruses. This year they presented a spring concert, a Christmas Cantata, and an Operetta. The Choir visited the Carthage, Lamar, Monett, and Mount Vernon Schools where they presented assembly programs.

The Boys' Chorus, under the direction of Mr. Lawson, attended a contest and took part in caroling in the halls at Christmas.

There are more than eighty-five girls in the Girls' Chorus. This year they participated in the operetta, sang carols in the halls, and entered the music contest.

The Webb City High School Cardinals got their '58-'59 season off to a flying start by capturing first place in the Mount Vernon Invitational Tournament from the Lamar Tigers. The Cardinals, continuing their winning streak and boosted by the public, raced on to win conference games from Lamar, Monett, Cassville, Aurora, Mount Vernon, and right up to Carthage who was then our close rival for the Championship of the Big Nine Conference. Playing under a handicap, the Cards played a very good game, but were unable to hold the Carthage Tigers. Not giving up their confidence or their old "School Spirit" the Webb City Cardinals streaked on to win games from Altamont, Carl Junction, and then Nevada, to come face to face with Neosho with whom we were tied for second place in the Big Nine Conference. The Webb City-Neosho game proved to be one of the most exciting games in Webb City's basketball history. The game was close and could have toppled for either side right on to the very last seconds of the game, when Jerry Buchanan dunked in a field goal and Webb City won the game 49-48. This same night, Carthage suffered a loss at the hands of the Nevada Tigers, thus making Webb City and Carthage co-champions of the Big Nine Conference, with Neosho and Nevada taking back seats.

Inspired by their good fortune, Webb City moved into the Class "L" Regional Tournament with much enthusiasm and confidence. In the opening games Webb City trounced over Nevada to meet Joplin in the semi-finals. The Joplin Eagles, not expecting a close contest, were caught off their guard and were given a run for their money. Webb City, playing magnificent ball, gained the first lead and kept it right on up to the third quarter, when the lead changed hands many times and the game grew very tense for all those involved. The Cardinals held them right on to the last second when it appeared that the game would end a tie. However, one of the Joplin Eagles finding an opening made a basket and gave Joplin the victory.

The '58-'59 basketball season proved to be a very highly successful season for Webb City since our real contenders, the Joplin Eagles, placed second All-State. May we look forward to our next season and hope that it proves as successful as the '58-'59 season has been.

For Jerry Buchanan the season was capped by his being named to the All-Conference Team.

Missouri University Curators Recognition

The M.U. Curator's Recognition is an award which is presented by the University of Missouri Board of Curators to high school seniors who rank in the upper one-fourth of their class, and score the highest in their respective school on the statewide Ohio Psychological Test. Those seniors so honored this year were Stephen Byers, Albert Williams, and Tod Jester. Along with the Recognition all three received M.U. Curator's Scholarships to either Missouri University or Rolla School of Mines, another very great honor.

SOPHOMORES

The Sophomores of 1959 have launched their parade of talent by furnishing several key members on the football, basketball, and track teams; some expert musicians who participated in the band, orchestra, and vocal departments; and some convincing actors and actresses who have had leading parts in school plays and operettas. All in all the Sophomores are well on their way into orbit of becoming Juniors of 1960.

To The Readers of King Jack

In all our years of high school we have shared many pleasant and exciting memories that we will never forget. One way to preserve these memories is through our school annual. We have tried to record these memories in our King Jack 1958-1959. If we have done this we have reached our goal.

The King Jack Staff wishes to express their gratitude and appreciation to all who have made this possible. We urge our readers to patronize those business firms and individuals who have purchased advertising in the 1958-1959 King Jack.

We sincerely hope that you will find much pleasure in reading your '59 King Jack.
